

Our Mission

To make
school fun
and increase
student
engagement

How do we do that?

Keeping Students Engaged

- Make worksheets fun!
- Don't let students know they are learning
- Grades 4 - 12

Helping Teachers

- Automatic Grading
- Reporting
- Google Classroom

Personalized

- Students choose their game
- Individual reporting

Questions within the games

Correct Answers are incentivized

Students most answer questions correctly for power-ups to work or to continue playing

They can't simply click through without answering

Interactive

Students encounter a question every 70-90 seconds

You know your students better

You submit the worksheets we turn them into games

Make boring
worksheets
fun
