

Dear Parents,

This year we've been using an exciting education game platform called Learn Lounge Games. While we will be using the program during school hours, students are encouraged to play any of the available games at home to supplement their practice!

Help your child by letting them practice while playing

1. Make sure they have access to the Learn Lounge Games
2. Download the available games at learnloungegames.weebly.com/games
3. If using mobile, download Learn Lounge Tools and sign in with student email

How does my child play Learn Lounge at Home?

1. Go to run.learnlounge.co at any internet enabled device
2. Select "Class Play" and logging with your child's username and password
3. Input worksheet code and let your child start having fun

Feedback to Learn Lounge Games

Learn Lounge Games is on a mission to make school fun. If you or your child have any suggestions feel free to email them to suggestions@learnlounge.co
